Expectations for the SET All localities to establish IC-205 and Communicate to as many points as possible.

What Occured Lack of participation made the effort rest on a few talented individuals rather than broaden the experience of all registered members.

What Went Well and Why Enthusiasm for those that actually took the time to participate.

Improving Operation and How The 40 Meter Frequency (7.240) for the state has to change, Period. Too many reasons to list here.

Advocacy for Amateur Radio in General, and the Emergency Support Function (ESF) communications we provide.

The VA State Web site is Garbage and needs a 'new life' as this represents all of 'us' and is NOT Functional nor appealing.
