Expectations for the SET	A tremendous learning experience for the HEART Team.
What Occured	A phenomenal learning experience and team work.
What Went Well and Why	The use of satellite in the passing of Winmor messages and HF traffic. Also the use of Peer to Peer as the local hub for local traffic would be down.
Improving Operation and How	The consistency of the 213 form used. Using the form that is on the Winmor/WinLin/RMS site.
