

# Relay For Life

## Carroll County High School

### July 29 – 30, 2005

Relay For Life is an overnight team event to fight cancer. This year it will again be held on the athletic field at Carroll County High School.

Here's how it works: a team captain gets together some of his or her closest friends, co-workers, and family members to form a team. The team members go out and collect contributions, with a goal in mind, prior to the event. Teams get together for bake sales, car washes, yard sales, bean suppers, raffles, pancake breakfasts, and many other events to raise money. The Relay For Life is a celebration party at the end of the fundraising. On Relay day, participants decorate their tents with themes – it's like a community camp-out. Team members take turns walking around a track throughout the event, while enjoying activities, entertainment, camaraderie and food!

What better way to teach our children community involvement and service to others? One of our events is a **CHILDREN'S WALK**. Children raise money and compete for prizes. Through Relay fundraising the American Cancer Society has dramatically increased the cure rate for most childhood leukemias to more than 80%. **CHILDREN HELPING OTHER CHILDREN** – be a part of making this happen in 2005 in our community. Call Sharon Gravely at 276-728-5961 or Sharleen Sage at 276-398-3548 to sign up today!
